PORTRAIT & FAMILY PHOTOGRAPHY

Outdoor Family Photo Session - \$300

Outdoor photo session, up to one hour. I will take the time to get the family photos you want without the feeling of being rushed. Individual, sibling, couples photos are included in this session process, to leave you with a wide variety of photographs. Professionally edited/enhanced photos will be uploaded into an online viewing gallery. You will receive access to download all JPEG images from your viewing gallery. Digital JPEG photos are print ready, high resolution and non-watermarked. Option to purchase additional prints and other products directly from your gallery. Prints ARE NOT included in the price of this session fee and must be purchased separately. Print and product pricing available upon request.

Pricing for each family portrait photography includes children and both parents. Additional family members (such as cousins, aunts, uncles, grandparents, etc.) and/or pets require an extra fee of \$10 per person or pet

Individual Photo Session: \$125

One individual person photo session. 30 to 45 minutes, outdoor session. A perfect choice for a single child, teen or adult looking for individual photos. Professionally edited/enhanced photos will be uploaded into an online viewing gallery. You will receive access to download all JPEG images from your viewing gallery. Digital JPEG photos are print ready, high resolution and non-watermarked. Option to purchase additional prints and other products directly from your gallery. Prints ARE NOT included in the price of this session fee and must be purchased separately. Print and product pricing available upon request. This package is not applicable for senior photo or headshot sessions.

SENIOR PORTRAITS I \$200

Individual photo sessions for high school senior yearbook photos. Up to hour, outdoor photo session. Up to three outfit changes. Your Full Resolution Yearbook JPEG image with final edits and enhancements as needed. Unlimited access to download all digital images from your client gallery. Digital JPEG photos are high resolution, print ready and non-watermarked. An online viewing gallery. Option to purchase prints and other products directly from your gallery. Prints ARE NOT included in the price of this session fee and must be purchased separately.
